NEWSLETTER

A member of The Ribblesdale Federation of Schools* – *fostering a love of learning through collaboration.*

Welcome from Miss Ward ...

After a January filled with school updates linked to lockdown, it is good to write a general newsletter to keep you up to date with what is happening in school. We are pleased with the interaction with our remote learning and thank you for your feedback on what is working for you and the children. Please continue to use the class email addresses to update us on your child's learning and to ask any questions about this.

Keeping children safe online is a concern and responsibility we all share. Please follow this link for the latest guidance on staying safe online during lockdown and contact us if your child sees anything unsuitable online [NYS CP](https://www.nyscp.org.uk) ([safeguardingchildren.co.uk](https://www.safeguardingchildren.co.uk))

Our staff are now volunteering for regular Covid testing, which provides us with up to date information on potential exposure. We are hopeful that schools will reopen on 8 March and will be in touch to confirm this once we know for certain. We are very much looking forward to welcoming everyone back when it is safe to do so.

Dates for Diaries 2021

Friday 12th February	School finishes for half term (3.30pm)
	Half term Holiday
Monday 22nd February	Start of half term

	Half term Holiday
Monday 7th June	Start of term
Friday 23rd July	School finishes for the Summer holiday at the end of the day
Monday 26th July	Staff Inset (School closed to pupils)

Housekeeping during lockdown

Could we remind everyone that the same procedures around start/finish of the school day still apply. If for any reason you are going to be late – due to an appointment etc, please let school know. Could we please ask that you observe all guidelines around social distancing when dropping off your child/ children, thank you.

We kindly ask if any outstanding payments from last half term are paid in full via School Money.

We are looking into renaming our classes in school and our teachers are currently finding out which names would be popular. Watch this space to find out more!

We are also introducing new teams across the federation so we can celebrate and share our successes between our three schools. More details to follow soon!

Tech Free Tuesday!

We are delighted to introduce the idea of 'Tech Free Tuesday' across the school, to recognise that we all need a break from online learning. Taking time to read, relax, walk outside, play a board game or learn a new skill, all matter for our emotional well-being and health! With this in mind we will not expect any online learning to take place on a Tuesday afternoon and our teachers will switch off their laptops and focus on fun activities with the children in school. We do hope you join us!

Changing Weather & Seasons

Please make sure that pupils come to school with a waterproof coat and warm accessories/layers. It is extremely rare for us to close because of the weather and this will be only be in the interests of health and safety for staff and pupils. If we need to do so, you will be informed via a text message and if possible, this will be announced on our school website.

We aim to let parents and carers know as early as we can. If weather conditions deteriorate during the school day and there is a need for early closure, we will again send parents a text message and notification will be on the website if possible. Please can you ensure that we have up to date contact numbers for you. Local radio may also announces weather updates.

School Absences

May we remind you that if your child is absent please contact school as early as possible giving a reason for their absence so that we can complete our daily attendance return. It is now a legal requirement that we send returns each day. If an absence is linked to a suspected Covid case, please follow the government's guidelines if you need to book a test or isolate and keep us updated. Thank you.

Thank you to the Rotary Club

We have been very fortunate to receive a generous donation from the Rotary Club, which has enabled us to purchase new devices to support children with remote learning across our three schools. If you are struggling to share devices at home or need any support with accessing online learning, please get in touch.

More dates for your diary ...

World Book Day—4th March 2021, digital tokens have been sent out and activities are planned.

Red Nose Day 19th March 2021, activities are planned. Check your class emails!

Catteral Shield

This weekend is The Catteral Shield which some of our pupils are participating in virtually. Good luck to everyone who is taking part! Look out for photos and results which will be shared in our next newsletter.

Thank you for your continuing support from all the team at Giggleswick Primary School
