Dear Parents/Carers,

Topics for the academic year 2022-2023

It is that time of year when our teaching team reflect on the learning of the past year and look ahead to the next. We have come up with three new and inspiring topics for the coming year and would like you and your child’s feedback and input into these. The topics will be planned in slightly different ways for each class, to reflect the demands of the curriculum and the children’s ages. Our long-term plan overview will be available on our website shortly.

If you have any thoughts or ideas about what might enhance the children’s learning experiences, please share them with us. Include activities, visits or the details of any visitors we could invite in. We would appreciate your responses by Friday 24th June.

Yours sincerely

Miss T Ward

(Executive Headteacher)
