A Message From Miss Ward

It is lovely to see that the lighter days and warmer weather approaching as we make our way through the month of March. We can't wait to welcome the children back. Here is a reminder of our drop off and pick up times:

Drop off times: Class (1) Tems (8.40am) Class (2) Alkelda (8.50am) class (3) Harrison (9.00am)

Collection times: Class (1) Tems should be collected at 3.10pm Class (2) Alkelda 3.20pm Class (3) Harrison 3.30pm.

We will continue to offer our wrap-around-care services and as the road map out of lockdown continues to progress, we are hoping that more events will follow! We understand that returning to school may be daunting for some but equally it is a time for reunion and excitement! If you or your child are worried about anything at all please remember we are here to help—just ask.

We would like to extend a big thank you to our Friends association for donating money towards a new set of books to share across our federation. These books are suitable in range for children from Reception to Year 6 and each tells a tale designed to encourage empathy. We are very much looking forward to reading these with the children and discussing the important issues raised linked to how we feel and how we treat each other. If you're curious, take a look at [EmpathyLab](#) to find out more!

Our early reading scheme is having an overhaul and we can't wait to introduce some new phonetically decodeable reading books. Watch this space for more information as we will be embracing the newly updated Letters and Sounds approach to teaching phonics after Easter. We will share ideas on how to support your child when the new materials are released.

"What is the bravest thing you've ever said?" asked the boy.

"Help," said the horse.

New class names

After much deliberation and consideration of all the amazing suggestions made by the children, we have decided on our new class names. They all have a unique link to our village and were chosen because of this.

Class One—Tems: named after the beck that runs through Giggleswick.

Class 2—Alkelda: named after St. Alkeda's Church in our village

Class 3—Harrison: The playing field across the road from school was donated by Mr Harrison so the children would always have a nice place to play.

Cateral Shield

Well done to the children who participated in this tough cross country challenge. You must feel very proud of your achievement!

World Book Day /Red Nose Day

This year we will be celebrating world book day when pupils return to school. We have chosen Wednesday 17 March and look forward to celebrating with everyone. More details to follow.

On Friday 19 March we will contribute to Red Nose Day by inviting all children to wear something red to school. Special cookies will be available at break for a small donation. All money will be sent to Red Nose Day to support their good work.

Well Done!

We would like to say a big well done to all of our the pupils across The Ribblesdale Federation of Schools who have continued to stay positive and have worked extremely hard throughout this national lockdown. This is the first time in our lifetime that we have had to adapt as a society to this new way of living and it has been challenging at times. Well done to all of our parents and carers too, you have been amazing! Our dedicated staff have continued to work extremely hard behind the scenes in preparing lessons and keep things ticking over in school. Thank you for keeping in touch and letting us know how you are getting on. There have been some wonderful things happening at home and your feedback has been very much appreciated!

School Absences

May we remind you that if your child is absent, please can you contact school as early as possible giving a reason why so that we can complete our daily attendance register. If an absence is linked to a suspected Covid case, please follow the government's guidelines if you need to book a test or isolate and keep us updated. Thank you.
