A member of The Ribblesdale Federation of Schools – *Do everything in love (1 Corinthians 16:14)*

Welcome to our July Newsletter which is the final letter of this academic year - what a wonderful year it has been! We would like to thank our parents for their support and would like to reiterate the importance of keeping in touch with us directly if you need any clarification on school related matters. Please also continue to check our Federation website and follow us on Twitter! We may not have seen our parents in person as often as we would have yet we know you have been with us 'remotely' for our weekly assemblies; thank you for joining us each week. We look forward to seeing many of you in person during this month's Sports Day. Thank you to 'Friends' who have supported us throughout this academic year. They will continue to do good things for us as always. If you would like to get involved everyone is welcome! We'd like to thank Mr Gibbons, our Chair of Governors, and all Governors for everything they have done voluntarily for our Federation over the past academic year. We wish our wonderful Year 6 pupils well during their transition to Year 7 (please keep in touch and let us know how you are getting on). It's been wonderful for our team to watch you grow and progress through this phase of your education and we are confident that you will do well during your time at Settle College. We also look forward to getting to know our new reception pupils as we have heard lots of lovely things already! We are very much looking forward to our Federation seaside trip, to finish off this academic year. Have a safe and happy summer from all the team at The Ribblesdale Federation of Schools!

Edinburgh 22

We would like to thank our Federation team for taking the time away from their own families and making the Year 5 & 6 Edinburgh Experience so special. It truly was an amazing experience. Thank you to the Mrs Jarrom for organising this trip and itinerary. We had such lovely feedback from the places we visited regarding the pupils excellent behaviour, which made us feel so proud. We can't decide which activity was our favourite as there were so many highlights.

Sports Day

Thank you to all staff for making this into such a splendid day. Well done to all pupils for taking part and trying their best, they were brilliant.

School Money

Please can School Money be paid in full from week to week. We have recently had a build up on accounts which have reached £100 and in some cases over! This has a huge impact on what we can spend each month for much needed school resources (due to parental arrears affecting our school budget). We appreciate that money is extremely tight at the moment due to the rise in utility bills and petrol costs. If you need any financial support, please get in touch. Please can all accounts

Weather & PE Days

Please ensure children have a sun hat and a named bottle of water in school each day. On days where sun screen is needed, please use an all day cream before school or send your child with a named roll on or spray cream that they can manage independently. Our staff cannot put sun cream on pupils. Please also bring a lightweight waterproof coat if you can as the weather can be varied.

Homework

Thank you to those who have supported our Homework Policy throughout this academic year. We expect that homework is completed regularly and handed in on the return date set by your child's class teacher.

Feeling Poorly

If your child is poorly, we would prefer the focus to be on them getting better. We do not expect pupils to be working at home when they are ill. Please keep your child at home if they have a sickness bug. The NHS guidance states that you should be in the clear for 48 hours from the last episode of sickness (diarrhoea /vomiting). For more information go to: <https://www.nhs.uk/conditions/diarrhoea-and-vomiting/>
