January

A member of The Ribblesdale Federation of Schools – *Do everything in love (1 Corinthians 16:14)*

Welcome to our **January Newsletter** and a Happy New Year to you all. We hope that you have had a restful Christmas and that the children have had the opportunity to have recharged their batteries and are full of energy to start of a new term and a new year. In the blink of an eye, we have come to the end of the first few weeks of the new term. It only seems like five minutes ago when I wrote to you all on my first day. We have had a very positive start: the children and staff have been enthusiastic about so much already! It has been a privilege and pleasure to meet your amazing children in their classrooms, assemblies and around the school. Their attitude to learning and behaviour has been exemplary, so I hope that you will join me in praising them for their fantastic start to the new term. Well done everyone! I am fortunate to be working with such a talented and hardworking staff team, across the Federation and it has been wonderful meeting and greeting parents and families at the start and end of the school day. I will hopefully get the opportunity to catch up with more of you over the coming weeks. I am very keen to get to know the fabric of each of the three schools within the Federation quickly and to ensure the lines of communication are very much two way and supportive. I have been made to feel very welcome and I very much look forward to working with you all to ensure that all the children receive the very best education we can provide. Thank you for your support: it is greatly appreciated and valued.

Kind regards, Mrs Catherine Maddocks

Poppy Appeal

Thank you to everyone who donated to the recent Poppy Appeal, we raised £141.23. That's a great amount for a small school.

School Money

As we start the new year, please can we ask that you check your child's School Money account regularly. It was noted that at the end of last year there were a number of payments which were still outstanding on individual accounts. As you can appreciate, we aim to stay within our school budget and outstanding arrears can put a strain on our finances. **By checking you child's account regularly, you also avoid a large bill accumulating.**

Absences:

If your child is unable to attend school, please contact us by email or by telephoning school (you can also leave a message on our answer machine). We wish to remind our families that we do need to state why a child is absent on our daily electronic register system. **If no reason is given, the absence will be recorded as unauthorised.** This is why it is very important for you to let us know why your child can not attend school. We also wish to clarify that any holidays in term time will be recorded as an unauthorised holiday. If your child has a week off school for a holiday, this is classed as 10 sessions missed (which may trigger a fine). For a child to fall below the 96% target they would have missed 5 full days of lessons. We also encourage making medical appointments out of school time (wherever possible). Thank you for your understanding and cooperation in working with us to keep our school's attendance rating as high as we possibly can. We always have your best interest at heart when monitoring individual attendance records within our Federation.
