Baby on Board!

We are delighted to be able to share some wonderful news with our Federation families. Miss Houghton (our Assistant Headteacher), is expecting her first baby in August. We wish her and her partner the very best with lots of lovely adventures to follow as a family of three!

Owls Class:

If pupils attend wearing laced boots or shoes, please can they be confident in tying their own shoes please. Here is a link which may be useful to help your little ones along the way!

Welcome to our **March Newsletter**, we have lots of lovely things planned across our Federation and the Year 6 pupils are very much looking forward to returning to the Crucial Crew Event again. We have missed this valuable workshop due to the pandemic. During this event our pupils will be given a number of different scenarios to help raise awareness of safety issues. The skills and topics covered throughout the day are valuable tools which they will carry with them as they continue with their educational journey as they transition to Year 7. May we remind families to let us know as soon as you can if your child is going to be absent from school. May we also remind families to try and book medical appointments out of school hours (we appreciate this is not always possible). We do need proof of medical and hospital appointments please. If these can be passed on to the school office for our records, this would be much appreciated.

World Book Day:

World Book Day will now be on Thursday 2nd March. This year, pupils are welcome to attend school dressed as their **favourite character from a book** of their choice or in their **Pyjamas** (Additional layers may be needed if attending in Pyjamas!) . Please do not spend lots of money on costumes (the more creative, the better!). All pupil must bring in a copy of a book which either links to their costume or one of their favourite books (if they attend wearing their Pyjamas). We are very much looking forward to finding out which books have been chosen!

Keeping A Positive Digital Footprint:

Due to the current climate, our children are using various platforms to communicate with their friends more and more. Especially when they reach the end of their primary school experience as they may have their own mobile phone at this point. It is important to have conversations with your children and to remind them of how to stay safe on line. Please remember to always use appropriate language when commenting on social media. Here are 5 P's to keep a positive digital footprint.
