

# News from the Nest

## Robins & Wrens

We have been busy as always in the Nest, this week we have been reading 'the Queen's hat' and have done some lovely descriptive writing. We also had a special visitor come into School with four legs! We discussed and asked questions about what we knew about sheep and lambs. The garden is starting to look lovely with lots of plants and veg that the children have helped plant and grow, along with making disgustingly delicious mud kitchen recipes.

All the children have been amazing with beaming smiles on a Wednesday when we attend our weekly swimming lesson..

### Don't forget:

- No snacks needed for after swimming
- Please can we avoid wearing tights for swimming also.
- May Day Dancing Saturday 4th All children participating please arrive at school for 12PM
- Girls to wear pretty dress and cardigan boys smart trousers and a shirt with appropriate footwear
