

# Giggleswick Primary School

## Harrison Class

Summer Term 2

### MATHS

**Year 4** – Time, shape, position and direction and statistics.

**Year 5** – Negative numbers, converting units and volume.

**Year 6** – Consolidation of topics and ready to progress.

### ENGLISH

We will be developing our writing skills through the following texts:

#### The thinkers Rap - Poetry

We will also develop our understanding of grammar, spelling and punctuation and 'VIPERS' questions to help us with reading comprehension.

### Design Technology

'Come Dine With Me!'

This half term children will be researching and preparing their own 3 course meal. They will look at complimentary flavours and presentation.

### R.E.

Our question this half term is – What matters most to Christians and Humanists? We will learn to express our own ideas about moral concepts, give examples of similarities and differences between Christianity and Humanism and apply ideas about what really matters in life.

### DIARY DATES

**Back to school** – Monday 3<sup>rd</sup> June 2024

**Sports Day** – Monday 10<sup>th</sup> June 2024

**Federation Production of Peter Pan** – 2<sup>nd</sup> July 2024

### SCIENCE

Our science topic this half term is Earth and Space. We will be learning about the planets that make up our solar system, understanding the heliocentric model, the sun and moon.

### PSHEe

Our PSHEe topic this half term is about Safety and The Changing Body. Lessons will focus on staying how our bodies develop as we get older, puberty and menstruation for year 5 and 6 pupils.

### Computing

This term our topic is online safety. We will be learning how to use the internet safely and how to address potential risks.

### HOMEWORK

**Reading** – Children should read at home every day to an adult.

**Spelling** – Each child has their own list of words to work on every week. Spelling tests every Wednesday.

**Times Tables** – Each child has their own individual log in to access Times Tables Rockstars at home.

**Homework Challenges** – English Comprehension and maths to hand in each Wednesday.

### FRENCH

This half term we will be continuing our learning about Café culture and restaurants.

We will be learning to say key vocabulary and phrases for food, writing and using our own role play to practise ordering food in a café and creating themed menus in French.

### MUSIC

This half term, we will be taking part in our instrumental project where we will learn to play and develop our technique on the ukulele. We will also be preparing for our federation production of Peter Pan.

### Geography

This half term, we will be looking at the big question 'Where does our energy come from?'. We will be learning about different energy sources, renewable energy and how different countries generate their own energy.
