

Welcome to our **November newsletter**. We hope you have all had a lovely half term break with time well spent making the most of the autumn weather.

You should have now received information about our parent consultations that are taking place on Tuesday 18th November 2025. If you haven't done so already, please book a time to see your child/ren's class teacher using our online booking system.

Thank you to everyone who made a donation to the Royal British Legion Poppy Appeal. We will let you know how much the school raised at a later date.

We have lots of things planned leading up to the festive season and we will keep you updated as we move closer to the Christmas Break.

Stay and Play Session: We are looking forward to welcoming parents and children who are due to start in Reception in September 2026 to our Stay and Play open afternoon on Friday 14th November. The session runs from 2.30pm to 3.15pm and parents will be given a guided tour of the school, spend time in our Early Years classroom, have the opportunity to ask questions and meet our brilliant teaching team. If you or anyone you know has a child due to start school next September, please email the office if you or they would like to come along to this session: admin@longpreston.n-yorks.sch.uk

Christmas Songs at Settle Train Station Open Day: Children involved in the choirs at Long Preston and Hellifield have been invited to take part in the Friends of the Settle and Carlisle Line's Open Day at Settle Train Station on Saturday 29th November 2025. The day coincides with the Settle Christmas Lights switch-on, where children from Giggleswick Primary School will perform. All are welcome to go along and hear the children sing.

Food and Farming Sponsored Book Project: Last month we received 3 Usborne books from Aimee Carlisle of the Tales in the Dales Bookshop and these were very kindly sponsored by our lovely TA Chloe Dakin and her husband Mathew. We thank them for their generosity.

The initiative is designed to help children discover where their food comes from and explore the wonders of life on the farm. The Usborne book are exciting and engaging and bring the farm-to-fork journey to life in a fun and interactive way. We know our children will love reading these books for years to come.

Recycling Post Competition: Congratulations to the three winners of our Recycling Week poster competition. The children were asked to design a poster to remind everyone to recycle in school and the winners were: Tabitha (Owls Class), Rowan (Starlings Class) and Dilys (Robins Class).

Each of them received a prize of colour changing pens and the winning posters are also being displayed in school.

Harvest Festival – thank you to everyone who was able to come along to the Harvest Festival Service last month and for the many donations for Skipton Food Bank. As well as all of the food donated, £118 was collected at the Long Preston and Hellifield church services. All of the contributions were very much appreciated

Summer Reading Challenge: A huge well done to four of our children - Elijah, Harris, Jessica and Lucy - who were recently presented with certificates by Mr John Frankland, North Yorkshire Council's Community Development Librarian, for completing the Summer Reading Challenge.

This year the challenge was called Story Garden – celebrating nature and the great outdoors - and Mr Frankland came into school just before the summer holidays to launch it with our children.

Y2 Yordas Caves Trip: Our Y2s had a great day out last month exploring the Yordas Cave in Kingsdale with others children from the Federation. It provided a great venue for climbing, scrambling and abseiling both above and below ground and hunting out the water on its journey down the hill. It was brilliant that all of the children were so brave and willing to have a go...they had such an adventure! Thank you to everyone who made the trip possible.

Sporting Performers for September and October: Congratulations to our six sporting stars and their achievements in September and October.

September's performers of the month were:

- **Harriet** for being the ultimate team player and encouraging everyone to do their best
- **Elsie** for trying really hard and starting to show resilience when things do not work in her favour.
- **Joseph** for his enthusiasm when taking part and especially during a recent rugby taster session.

October's performers of the month were:

- **Sienna** for her increased confidence in swimming
- **William** for being more involved in the PE lessons and having a go
- **Henry** for always having a go and doing his best.

Y3/4 & Y5/6 Football Tournament: Well done to all of the children who took part in the Football Tournament at Ingleton Primary School last month. Even those children who don't play football regularly were keen to take part and we were delighted with everyone's energy and determination. Thank you to the staff who helped to organise the teams and accompanied them to Ingleton.

Accordian Showcase Event: Congratulations to Tabitha who took part in a recent accordian showcase event at Gargrave. Tabitha has been having accordian lessons at school with Mr Harry Hinchcliffe and she performed amazingly in front of an audience at this event. The photo shows Tabitha with composer Phil Henderson.

If any children would like to learn the accordian, please contact the school office.

Parent and Carer Support Group

From the Mental Health Support Team

Our online Parent and Carer Support Groups offer a safe and welcoming space to explore ways of supporting your child's emotional wellbeing, and your own.

Each half term, we cover a new wellbeing topic inspired by the Five Ways to Wellbeing, and share practical tips and ideas. It's also a chance to connect with other parents, share experiences, and support one another.

This half-term's topic:

Connect - Strengthening Healthy Relationships

This session will explore simple ways to strengthen communication, build trust, and maintain healthy relationships with your child and family. Together, we'll discuss how small, everyday actions can make a big difference to emotional wellbeing at home.

Date: Tuesday 25th November 2025

Times: 10:30am – 12:00pm or 7:00pm – 8:30pm

Platform: Microsoft Teams
