

Welcome to our **January Newsletter** and to the start of 2026 and our new term. We hope you were all able to have a restful Christmas and that the children have had the opportunity to relax and get ready to start another exciting year of learning. We are pleased that we have already seen a very positive start to the new term with the children being enthusiastic about their learning.

**Updates from December 2025:** Thank you to everyone who came along to the School Nativity 'Hey Ewe!'. We were delighted to see the hall so full and we hope all of our families enjoyed this retelling of the Nativity story. It is always good to see so many parents, grandparents and friends join us at this special time of year. We are sharing a few photos from the Nativity on the next page and more can be found on the school's Facebook page.

We also hope those who were able to attend enjoyed the Carol Service at St Mary's Church, which along with the Nativity, really got us all in the Christmas spirit in a meaningful way.

Finally, we would like to thank our wonderful cook, Mrs Vickery, and kitchen assistant Mrs Chadwick, for the fantastic Christmas dinner they prepared and served during the final week of last term...and also a big thank you to FOLPS for funding the books that a very special guest - Father Christmas - handed out to each child at the party on the last day of term. FOLPS' commitment to the school is greatly appreciated and we also value the support given by parents and to their fund raising events. We are looking forward to more being arranged for 2026.

**Travelling Nativity:** This year we had two travelling nativities going out to families during December. We tried to get them to as many families as possible and if your child didn't get the opportunity to bring one home last year, we will try and make sure they are top of the list this year. For those who did have a travelling nativity for a night, thank you for all of the comments, photos and pictures that have been added to the accompanying books. The comments have been lovely to read and we are pleased that both the children and their families have found hosting the travelling nativities a rewarding experience.

**2025 Poppy Appeal:** Thank you to everyone who made a contribution to the Royal British Legion's Poppy Appeal collection, which we held in school during late October and early November last year. At school we raised **£52.38** and this contributed to the district total of **£10,540.12** going to such a great cause.

**SchoolMoney:** As we start the new year, please can we ask that you check your child's SchoolMoney account regularly. It was noted that at the end of last year there were a number of payments which were still outstanding on individual accounts. Please can accounts be at £0 if possible for the start of each new half term. As you can appreciate, we aim to stay within our school budget and outstanding arrears can put a strain on our finances. By now, everyone should also be booking after school club places in advance via your child's individual SchoolMoney account.

**Table Manners:** It would be appreciated if parents could support their child/ren to use knives and forks correctly when eating. While our staff look to do this during school lunches, their time is limited, so any extra support parents can give at home will make a difference.

December 2025

Whole School Attendance

Long Preston EVA Primary  
School: 96.61%

**Attendance:** If your child is unable to attend school, please contact us by email or by telephoning school (you can also leave a message on our answer machine). We wish to remind our families that we do need to state why a child is absent on our daily electronic register system (Arbor). If no reason is given, the absence will be recorded as unauthorised. We will do home visits if we do not know why a child is absent and we cannot get hold of a parent/carer. This is why it is very important for you to let us know why your child cannot attend school.

We also wish to clarify that any holidays taken in term time will be recorded as an unauthorised absence if not agreed in advance with the Executive Headteacher. The school cannot grant leaves of absence retrospectively; therefore, any absences that were not approved by the school in advance will be marked as unauthorised.

If your child has a week off school for a holiday, this is classed as 10 sessions missed (which may trigger a Penalty Notice being issued by North Yorkshire Council). For a child to fall below the 96% target they would have to miss 5 full days of lessons.

Two penalty notices can be issued for the same child to the same parent in a three-year rolling period. The first Penalty Notice will be charged at £80 if paid within 21 days; payment after 21 days but within 28 days is £160. A second Penalty Notice will be charged at a standard £160. A third absence of this kind may be subject to legal proceedings.

We also encourage making medical appointments out of school time, wherever possible.

More information can be found on the [Attendance section of our website](#), which also includes our [Attendance and Absence Policy](#).

Thank you for your understanding and cooperation in working with us to keep our school's attendance rating as high as we possibly can. We always have your child's best interest at heart when monitoring individual attendance.
