

Welcome to our **May Newsletter**. We want to say an extra special thank you this month to all of our children for their amazing performances on May Day. They really are such a credit to the school and we know how hard they have worked over the last month or so to perfect their dances. Thank you to all of our staff who supported the children and to Mrs Vickery for judging the handicrafts — not an easy task with so many high quality entries. (Photos from May Day are on the next page.)

The weeks seem to be passing very quickly at the moment and we have a busy run in to the half term break, with SATs taking place next week for our Year 6s – good luck to them – and then their residential trip to Bewerley Park Outdoor Centre the following week. We also have scramble and walk trips for our Year 3s and Year 1s from across the Federation and a visit to the cinema in Skipton for Starlings Class. You'll see from the Diary Dates that we have some other trips and sports events planned for after half term, including our Sports Day on **Thursday 11th June**, to which all parents and carers are invited to join us at school.

Starlings Class has been enjoying their cricket coaching this half term with John Hughes, from Settle Cricket Club, leading the sessions. So far the weather has been kind to them and they have been out on the school field practicing their batting, bowling and fielding skills. Owls Class will have their cricket sessions on Wednesday mornings in the final half term of the year.

New Reception children: We will be welcoming our new Reception children into school next month, with some special morning and afternoon sessions arranged for them. Many of the children already attend our Little Wrens Nursery but there are some who will be joining us for the first time and it will be wonderful to welcome them all into school. And not forgetting parents/carers, there is also a session for them on Wednesday 10th June at 5pm, so they can find out about the routine of the school day and meet our members of staff.

Changes to Free School Meal eligibility: From September 2026, the Government is introducing substantial changes to Free School Meal (FSM) eligibility. Under the new national criteria, all families in receipt of Universal Credit will qualify for free school meals, meaning that more pupils will become eligible.

There will be two categories of benefit-related FSM:

Targeted Free School Meals (qualifying for Pupil Premium)

This category continues to be based on the existing income threshold. Pupils will be eligible if their household:

- Is in receipt of Universal Credit, and
- Has an annual household income of £7,400 or less

Expanded Free School Meals

This category applies to meals only and covers pupils who:

- Live in households receiving Universal Credit, and
- Do not meet the income threshold for Targeted FSM (i.e. the annual household income is above £7,400)

Applications and eligibility reviews

All pupils whose family is in receipt of Universal Credit will be eligible to a free school meal; however, an application must still be made to ensure pupils are recorded as eligible. Pupils who are currently showing as FSM eligible will not be required to reapply, as their eligibility will be automatically reassessed.

More information is available on the [North Yorkshire Council website](#).

MAY DAY 2026

Y4 Hill Walk: Last month Y4s from across the Federation took part in a full day adventure on Pen-y-Ghent, led by Olly Roberts Outdoors. As they ascended and descended the mountain in sunny and blustery conditions, the children also practiced their friendship, leadership, resilience, geology, geography, biology and risk assessment skills. The children took everything in their stride and we are very proud of them all. Thanks also go to the teaching staff from our three schools who accompanied the children and made the trip possible.

'What is Pentecost?' Event, 24 May at Victoria Hall garden — Churches Together are holding a Celebration Event again on Pentecost Sunday, 24 May [the first Sunday of Half Term].
