Giggleswick Primary School Newsletter

JULY

Welcome to our **July Newsletter**, which is the final one for this school year. It's once again been a very busy month with trips and sporting activities. The last few weeks of term are primarily focused on our Year 6s, who will be leaving us soon and we have a special leavers service at St Alkelda's Church, our traditional Leavers Party and a Leavers Assembly on the final day of term. We'll be sorry to see our Year 6s go, but we know they are ready for the new challenges ahead and we wish them every success for the future in their new schools as they continue their educational journey.

At the start of last week we had our end of year production, which this year was 'Olivia!'. For the first time we used the Victoria Hall, in Settle, to stage the production and we had fantastic audiences for both of the evening performances. As usual, we have been blown away by the creativity and enthusiasm of the Federation's Year 4, 5 and 6 children and their enjoyment was a pleasure to see. Of course, it could not have been achieved without the dedication of our Class 3 teaching staff and our parents and carers, whose support is never under estimated.

Thank you to our parents and carers for your continuous support and for joining us each week for our Celebration Assemblies. It is lovely to be able to share the children's' successes and achievements each week with you.

As well as being supported throughout the year by our teaching and support staff, we would also like to thank our Federation Board of Governors for everything they have done on a voluntary basis for the Federation over this academic year.

We wish, staff, pupils, governors and volunteers a happy and safe holiday with your family and friends and we look forward to seeing you again in September.

Attendance Certificates: Attendance printouts for all of the children will be sent home with their reports later this week. The printout will cover the period from 3rd September 2025 to 10th July 2026.

Children who have achieved 97% and 100% attendance between 3rd September and 16th July will receive a certificate and these will be presented in their classes on Friday 17th July. The names of all of those children who have 97% attendance will be go into a hat and one name will be drawn at the Leavers Assembly on Friday. This lucky child will receive a £10 Amazon gift voucher.

Big Bang Day: Our Y5 pupils spent an exciting 'Big Bang' Day at Settle College last month, along with other Y5 children from the Craven Cluster of schools. The day focused on science-based activities and the children had a great time getting hands-on with various scientific equipment and carrying out experiments! Our thanks go to the staff who accompanied the children to Settle College and the staff from Settle College and visiting STEM Ambassadors who ran the day.

Ilkley Tennis: Despite rainy conditions our Y3s from across the Federation enjoyed their trip to Ilkley Tennis and Squash Club. They had a 40 minute session with experienced coaches, and practiced a variety of skills training. The children also had a guided tour of the courts. Although it was disappointing that the rain meant they were unable to see a match being played, hopefully their tennis taster session has given them an interest in Wimbledon and maybe take up tennis as a sport to enjoy.

Lower Winskill Trip: Tems Class had a wonderful day at Lower Winskill Farm; finding and identifying wild flowers and tiny creatures, making art, enjoying a picnic lunch and rounding the day off with toasted marshmallows and popcorn from the campfire. Taking into account the warm weather, the children spent time doing activities in the farm's large barn and in the shade of the trees. They also enjoyed cooling off in a mist spray. Thank you to Wild Ingleborough for organising and running the trip, to our staff for accompanying the children and to Lower Winskill Farm for hosting us.

Forest School Day: Out Rec and Y1 children from across the Federation came together and had a lovely Forest School Day at Hellifield PS. They kept cool in the school's shaded wooded area and had a great time examining bugs and mini beasts, creating art works on canvas and playing in the mud kitchen and on the rope swing. The children enjoyed a picnic lunch and finished the day by toasting marshmallows in the fire pit! Lots of lovely memories were made and thank you to our amazing staff who made it possible.

School Sports Day: Despite having to postpone our Sports Day in June due to bad weather, we had a lovely afternoon on 2nd July and all of the children, including some of those from our Nursery, did their very best in the races. We had a great turnout from parents and families and the children really appreciated such a supportive crowd cheering them on. Thank you to Mrs Mercer for organising the afternoon and to all of the staff who made the event run so smoothly.

Mini Olympics: Our Y1 and Y2 children joined others from the Craven Cluster of schools for an afternoon of sports at a Mini Olympics Event at Settle College. There were running, jumping and throwing events, as well as an obstacle course and sack, skipping and bean bag races. The children had a great time trying out the different events and learning new skills. Thank you to everyone who organised and ran the session.

Speech and Language Information for Parents and Carers

Under 6s advice service: For children under 6 years of age, a telephone appointment is available for parents to discuss their concerns about their child's speech, language and communication development and to give guidance on whether further Speech and Language Therapy assessments are needed. No referral form is required for this service.

Limited face-to-face appointments are available on request. Please telephone 01535 292821 and speak to the administration team to book an appointment.

Early Identification Service: This service is for children under 3 years of age with the highest clinical support needs or with safeguarding needs. Referral is via health visiting teams.

Community SALT service: Children under 6 years old will be seen for further assessment by this team following their telephone appointment.

For children over 6 years, please complete a referral form and send to **cdc.referrals@nhs.net**. Health practitioners are able to refer electronically using SystmOne. Referrals are clinically triaged to ensure they meet the criteria or whether they are best assessed by the CDC team or needs can be met by other services.

Behaviour Policy and Behaviour Curriculum: This year, Mrs Maddocks and Miss Houghton, have been fortunate enough to take part in the RISE (Regional Improvement for Standards and Excellence) Attendance and Behaviour Hub Programme organised via the DfE. This programme aims to:

- support school leaders to reflect on current systems
- share effective practice
- implement changes

As a consequence, they have spent time reflecting and updating our current behaviour policy, which was approved by the Federation Governing Board (FGB) at a meeting on 22nd June 2026. Alongside, the policy we will be introducing a curriculum for behaviour. We have been introducing aspects of the new curriculum during the last few weeks of term and the children and staff have responded brilliantly.

In addition, the FGB also updated the following policies at the same meeting:

- Managing Allegations and Low-Level Concerns
- Bicycle and Scooter Policy
- Debt Recovery Policy
- Educational Visits Policy
- Handwriting Policy

These and all of the school's policies are available on the Federation's website.

A huge thank you to the following staff who are leaving the Federation at the end of the school year :

- Mrs Miller,(Giggleswick)
- Mrs Dugdale, Miss Johnson (maternity cover) and Miss Preston

We wish them luck and every happiness and success in the future.

We also look forward to welcoming Mrs Mistry (Long Preston), Mrs Ewins (Hellifield), Mrs Charnley and Mrs SJ Dugdale to the Federation in September.

READ to the BEAT

Read to the Beat is the name of the 2026 Summer Reading Challenge – the UK's biggest reading for fun scheme for 4 – 11-year-olds

Children sign up at their local library to start the challenge, which is to read six books over the summer break.

They can choose any books they like, as long they're from the library. eBooks and audiobooks borrowed from our digital platforms Borrowbox and Libby also count.

Reading or listening to books with grown ups or siblings also counts towards completing the challenge.

For each book read, children collect stickers. When completed, they are presented with exclusive prizes, a certificate and medal.

Lots of fun and often FREE tie-in events running across libraries. Scan the QR code for details of what's happening in your patch.

Sign up to Read to the Beat at your local library from Saturday 4 July – while stocks last...

YOUNG WILD WRITERS COMPETITION 2026

www.henharrierday.uk/get-involved/young-wild-writers/

Sponsored by opticron

FINAL DATE FOR ENTRIES: 26 JULY 2026

We're looking for original writing on the theme of the natural world and its inhabitants having to share the space. This could involve humans and any other aspect of nature such as animals, plants, or habitats where nature lives. Writing could express human interaction with nature, or where humans haven't shared well with nature, or where two animals are fighting for space or food.

For example, plants growing through a brick wall, animals at a watering hole, birds visiting a bird feeder near houses, or humans building over the habitats of many important animals and plants. These are examples of "our shared planet" and are interesting or important to recognise.

Write a story, poem, prose, article, song lyric or letter up to 500 words on the theme of
