Dear Parents/Carers

It has been a joy to welcome the children back after the Easter break, including some new pupils, too! We are hoping the weather will warm up soon enough and we can get outside as much as possible with our learning.

Yesterday, the teaching team enjoyed a very useful day of professional development. We completed Makaton Level 1 and are excited about sharing what we learned with the rest of the staff and the children. Makaton will enable us to communicate using signing as well as speaking and is an effective way to develop confidence both socially and with oral communication. Please ask if you are interested in finding out more!

I'm including a timetable of my whereabouts until half term for your information. With my role as Executive Headteacher, I can still be contacted if I'm not on site the day you need to speak to me. Please email or call the school office and ask for a message to be passed on to me and I will do my best to respond, notwithstanding any prior commitments!

Kind regards

*Trudi Ward*
