

Harrison Class

Spring 2 Term 2022

Remember...

- ✓ 30 minutes minimum reading, ideally every day
- ✓ Spelling test will be on a WEDNESDAY
- ✓ Maths...

Year 5 (and Y6 as revision)

- Count forwards and backwards in powers of 10 from any number and through 0 to negative numbers
- Use place value to add and subtract large numbers mentally

Year 6

- \times and \div all to 12×12
- counting in $1/10$ s and other unit fractions. Count in $1/100$ s
- count in decimals, forwards and backwards

Don't forget to have a change of shoes on a Monday, for PE. Come to school in your school shoes and bringing your trainers to change into is ok.

Each child has been put into one of our new Houses. The children will be given points throughout the week and they will be counted and shared in the assembly each Friday. The houses are:

Rowling, Donaldson, Dahl and Walliams

From Farm To Fork

English

Rap - My Puppy Poet and Me,
Narrative (Romance) - Paperman by Disney, Newspaper Report - Goldilocks

Maths

Fractions/Decimals and percentages,
Measurement (converting units, perimeter and area), geometry

Science

Animals including humans

French

All about France

RE

What would Jesus do?

PSHE

Living in the Wider World - Protecting the environment, compassion towards others

Music

Make you Feel my love

PE

Basketball and Dance

Topic

A study of David Hockney and Where does our food come from?

CHALLENGE - to be handed in 4th April

We will be working with Arla Foods this term so we would like you to research a recipe that includes the ingredient - milk.

You will need to produce:

- A written recipe with instructions
- A design for a package for your finished product
- A storyboard for a video advert to sell/review/make your product
- Photos of your finished product
- A review of how it tasted (this can be from a member of your family)

If you are able to include a 'Fairtrade' ingredient into your recipe that would be great!
